RewirEd Summit Profile

RewirEd Summit is Dubai Cares' flagship platform advocating for transformed education systems as the core enabler of a sustainable future for people and planet.

Drawing from Dubai Cares' 15 years of global experience in enabling access for children and youth to quality education, RewirEd Summit was established in response to the urgent need to transform education models and bring forward solutions at the intersection of education and other Sustainable Development Goals (SDGs), in partnership with new and unlikely allies.

Following a successful first edition held during Expo 2020 Dubai, the second edition of RewirEd Summit will take place at COP28 UAE on the "Youth, Children, Education and Skills" Thematic Day on 8 December 2023 in the Connect Conference Center in the Green Zone at Expo City Dubai.

The global education gathering will focus on placing education at the forefront of the climate agenda by bringing together diverse voices and sectors including heads of state, governments, education and climate actors, civil society, private sector, indigenous communities and youth.

Newsletter

Here is a newsletter template that you can use or adapt to ensure your network stays informed about the latest updates on the RewirEd Summit 2023 programming, sessions and speakers.

The second edition of RewirEd Summit will take place at COP28 UAE during the **“Youth, Children, Education and Skills”** Thematic Day on **8 December 2023** at the Connect Conference Center in the Green Zone at Expo City Dubai. The Summit will focus on placing education at the forefront of the climate agenda. This global education gathering is set to bring together diverse voices and sectors including heads of state, ministers, education and climate actors, civil society representatives, private sector, youth as well as indigenous and marginalized communities.

Registration is Now Open

Registration for RewirEd Summit at COP28 UAE is now open. To secure your place at the Summit, kindly complete the registration **form** by the **30th of November**.

Agenda is Live

The Summit’s agenda is now live and you can download it **here**! The programme features a mix of high-level and thought provoking sessions and discussions aimed at championing collective collaboration for global education transformation as one of the most effective ways to address current challenges and unlock future solutions for people and planet.

Partners are encouraged to highlight the sessions they are hosting here.

We look forward to seeing you all on December 8!

Nurturing a generation of environmentally conscious and responsible individuals starts early and goes well beyond formal education.

Today, as caregivers and educators, we should commit to raising a generation of climate-aware individuals who are fully equipped to contribute towards climate action and make sustainable choices throughout their lives.

Join us at @RewirEd_Summit to collectively address and take action towards fostering a sense of agency in young children and strengthening their connection to the planet.

Public Relations

Press Release Guidelines

We encourage all our partners to issue their own press releases highlighting their engagements at RewirEd Summit, whether it's a programme, an initiative or a partnership announcement during the Summit.

Please take note of the following:

- Ensure that the press release references RewirEd Summit.
- If required, we can share a quote from a RewirEd Summit spokesperson to be included in your press release.
- The RewirEd Summit team will need 3 working days to review and approve any press release referencing the Summit.
- Please share the media coverage report with the RewirEd Summit team following the distribution of the press release.
- For any public relations inquiries, please contact:
makram.boukheir@dubaicares.ae

Photography and Videography

At the end of RewirEd Summit, we will be sharing a photo and video gallery capturing the best moments with all our partners and speakers.

Should you wish to receive photos from your session, please contact
robert.resto@dubaicares.ae

About Dubai Cares

Since its inception in 2007, Dubai Cares, part of Mohammed bin Rashid Al Maktoum Global Initiatives, has been working towards providing children and youth in developing countries with access to quality education through the design and funding of programs that aim to be impactful, sustainable and scalable. To date, the UAE-based global philanthropic organization has successfully launched education programs reaching over 21 million beneficiaries in 60 developing countries.

Dubai Cares plays a key role in helping achieve the United Nations Sustainable Development Goal (SDG) 4, which aims to ensure inclusive and quality education for all, and promote lifelong learning by 2030, by supporting programs in early childhood development, access to quality primary and secondary education, technical and vocational education and training for youth as well as a particular focus on education in emergencies and protracted crises. Moreover, Dubai Cares adopts a strategic approach to improve student enrollment and learning outcomes through an integrated school health and nutrition model that is made up of school-based deworming activities, school feeding, and WASH (Water, Sanitation & Hygiene) in schools.

Dubai Cares is a civil society organization formally associated with the United Nations Department of Global Communications (UN DGC), as well as a registered non-government organization under IACAD, the charitable activities regulator in Dubai. The UAE-based global philanthropic organization is authorized to raise funds through direct donations and fundraising campaigns, as well as process all permit approvals with IACAD.

Volunteerism is a powerful tool to Dubai Cares in order to engage people in tackling development challenges. Dubai Cares rallies the UAE wider community through a large spectrum of volunteering and awareness initiatives that are linked to its global mandate.
