**RewirEd Summit
8 December 2023**

**Connect Conference Centre (C3)
Green Zone
Expo City Dubai**

Event Overview

Following a successful first edition held during Expo 2020 Dubai, the second edition of RewirEd Summit will take place at COP28 UAE on the “Youth, Children, Education and Skills” Thematic Day on 8 December 2023 in the Connect Conference Center in the Green Zone at Expo City Dubai. The global education gathering will focus on placing education at the forefront of the climate agenda by bringing together diverse voices and sectors including heads of state, governments, education and climate actors, civil society, private sector, indigenous communities and youth.

The Summit’s program includes an opening segment, breakout sessions running simultaneously throughout the day, and a closing segment. The event venue includes an auditorium and 4 halls.

The duration of each session will be 45 minutes, with a 15-minute scheduled break between sessions. The opening and closing segments will take place in the auditorium and will be live-streamed to the other halls to allow for the participation of the maximum number of attendees.

The event programming is available on www.rewiredsummit.org
